“ It was nice to have known Dwight. We enjoyed the times he came to Keenagers at Portersville. He played the piano at one of our meetings. Always remember the chicken farm as being so successful and Jack enjoyed being his mail man. How nice to reach 99. With sympathy. Joan & Jack Courtney

“ *Many fond memories of Dwight and Sally. When I was a teenager and worked for Dwight especially remember the nights we had to catch chickens and crate them for butchering, or when a number of chickens were sold to another poultry farmer. I remember when the weighing came and the several crates of chickens were on the scale and Dwight trying to get the weight with me leaning on the crates,oops. I was tried and didn't realize I was adding weight to the purchased chickens. Oh How I remember the cleaning out of the area after the chickens upset a waterer and most of the floor was wet. What I remember most is the time Dwight and Sally ,Ronnie & Judy took me with them to North Park for a fun time at the pool and picnic. Many fond memories, loved working for Dwight and Sally what a testimony he and Sally had to Gods grace and influenced my life.*
