“ I have so many fond memories of Dwight. As a child I remember seeing him so frequently working in his garden. I remember how appalled I was when our dog got loose and plowed through his beautiful plants ! I remember him taking me with his grnadchildren to get ice cream, or to the fair. My children remember going to see him and Dora at halloween because there were always "special treats" set aside for them. He was a remarkable man and I know he is reeping all the rewards now for his many kindnesses here on earth. God Bless you all and may you find great peace in knowing how loving and attentive you always were to both him and Dora. Love, bonnie##imported-begin##bonnie bacher martin##imported-end##
