“ Oh Dylan, my favorite memory with you is growing up together at good old Broad Street. You were always the chill, respectable, kind-hearted, funny, caring kid. It makes my heart so heavy knowing that you are no longer on this earth with all of us because you are the kind of person we need to make this world a better place. My heart goes out to your family and dearest friends. Until we meet again Dylan, rest in peace and please watch over all of us. God bless.
