“ *In ninteen forty six my parents and I, along with Bill and Edie went to the Bus Station in Pittsburgh to enable Bill to catch a bus back to the base where he was stationed. I recall Edie weeping silently on the way home. As I looked at her with her strawberry blomd hair, and peaches and cream complexion, I was thinking thinking she is the most beautiful woman in the world.*

*Take care Edie, and allow the Butterfly to carry you home.
