*Denise, I remember your Dad as such a kind man when we were in High School. I know you all miss him. I was surprised to see he died the same month as my Dad. Love you Denise.*

“ Ed, I will always cherish the times we went golfing, the late night of playing cards and winning all those games as your partner. And reading the paper with you (aka) nap time. Dont get to many rounds in before we meet again. Rest in peace.
