Eileen is now reunited with her mother and father Anne & William (Bill) Knipp, sister Maryanne McKillop, son Mark Phillips and daughter Elaine Phillips.

Eileen passed away at the age of 85 on Wednesday August 17th with her son Michael Phillips and daughter Michele Phillips holding her hands.

Eileen's life was fortified with her faith, children, family, friends and pets. Eileen always had a funny story, a relatable experience or stellar advice to give. She donated to several charities. She was a member of the Community Alliance Church and the Red Hat Society. Loved watching basketball with her son Michael, laughter at her favorite pub with daughter Michele, spoiling her dog Mia, love filled conversations from family and memorable visits with friends. She had an extraordinary group of extended family and friends. The legacy of Eileen's kind spirit, strength and courage will forever touch our hearts and souls. We have been blessed to have had her in our lives and will continue to be inspired by her virtues.

“ *Deepest heartfelt sympathy to family. Fond memories of Eileen use to bowl together long ago. And when she set up at Clearview flea market. Such a beautiful caring lady! God Bless*

“ *My beautiful Aunt Eileen, what can I say? My Queen Eileen! You have been a wonderful Aunt to me, an inspiration to so many! I will miss you immensely. You have always made me laugh with some of the things you have done! I loved your stories! I loved when you impersonated Elvis! You used to tickle me when I was a child and we would always laugh and laugh! And we have shared many conversations about life, love and God. Thank you for my God box. Through all the tough times in your life you always had faith. When I was going through hard times you lifted me up. I like to think I lifted you up too! We always wished we lived closer to each other but whenever we saw each other we had quality time. I know you are with God in heaven and all your loved ones. Say hi to my Mom. Until we meet again I love you infinity squared!!*
