“ I met Eileen while attending YSU. You'll have to excuse me, but I must refer to her by the nickname that we all knew her by, Munch. She would be disappointed if I didn't.

Anyway, Munch was a good friend and dance partner at parties at the Phi Tau house. She was small in stature, but huge in personality and life. She lives on in the great memories she created for all of us.

Sweet dreams, Munch!##imported-begin##Dan Kling##imported-end##
