Tribute Wall

“ Alice, How sad to read that Eldin has left your side. He was a special person & I have thought of him often over the years. I had worked as the secretary/book keeper for Select Truck Sales, Inc and during those years had the opportunity to see him often. I own a piece of his woodworking and will now treasure it even more. Hold each other close, Nancy (Graham) Vierthaler##imported-begin##Nancy##imported-end##
