“ We will all miss grandma Elly terribly, but knowing she's not in any more pain, not going to have to go through any more tests, chemo, radiation, somehow brings a sense of comfort. I know shes smiling watching down over all of us.

“ *My prayers go to all of you during this time. 1 memory I remember like it was yesterday. Was when Danielle Miller her granddaughter was a baby and it was winter and she had me leave the milk in the snow to save room in the fridge. Well I'm a city girl I had never heard of that. Elli your going to be missed your an awesome Grandma to all your grandchildren.*
