“ *Betty certainly was one of my favorite people, I will best remember her as the epitome of a 'real lady.' She was always polished, elegant, refined and a true girlfriend to so many. I especially loved her for being a real friend to my mother. I take comfort in knowing that they are now united and think of them sitting together, holding hands, and sharing from the heart as they so often did. You are in my thoughts and prayers. With much love and deep sympathy, Patty Euksuzian (Ori Albert's daughter)*
