“ Last year Betty reminded me that when she was in the first grade in Broad Street School, the teacher said they could bring a little brother to school. Her brother, Al, was too young, but our mothers arranged for Betty to take me as I was three years old. Betty's mother and my mother were sisters. Cousin William Kennedy, Springfield, VA

“ *Miss Bauer was my 6th grade teacher at East Butler Elementary School. Along with those other teachers, Mrs. McCarrier, Mrs. Crowe and Miss Lewis, she was a great influence on me. I loved school and became a teacher. Now I am also a retired teacher from Butler Area School District. My thoughts are with her family members.*

God Bless
