“ *Pap,*

*I love you pap. You were and always will be the best grandfather a kid could have. Thank-you for being there for me, teaching me, and just loving me. It's hard to be sad with your passing when my mind is full of all the good memories & times we shared. I am so grateful for that and for everyone else whom your life touched. A day won't go by without having thought of you. It never has yet. I am so very proud to be your grandson. Forever in my heart.*
