“ Our deepest sympathy to Karen, Kathy, Sharon, Rex and your families. I have fond memories of your mother. She was always a good friend to my mother Mable Bartmas - since the days they were young girls and walked to school together.

Later on when my sisters and I were growing up in the same neighborhood as Elmina and Harold's family, I remember her as being a good mom who looked out for her kids. She was a hard worker too and always a kind person. Two more things I recall is that in the summer she usually had laundry hanging outside on the clothesline to dry, and one year she helped you kids put on a Backyard Carnival for Muscular Dystrophy.

We are so sorry for your loss and will keep you in our prayers.
