“ *Our deepest sympathy to friends and family. While we never had the pleasure of meeting your mom, Laurie, we know of her from what you have shared with us. The photo tribute has also given us a glimpse of her and her life - and what a beautiful tribute it is! Laurie and family, know that we love you and would give you a huge hug right now if we could. Prayers, Laura and Pete*

“ My heartfelt sympathy to Laurie Hall and her family. Laurie is a co-worker and dear friend. I have admired her strength during the past months as Etoil 'mom' was declining. I wish as a co-worker we could get to know our families better, especially our moms. Prayers to all of you and Etoil, light a candle for us in heaven. Love Tracey
