“ When I was a early teen, my dad would tell me, if you get your chores done and get the boat ready, when I get home from work we will go out fishing. I would make sure everything was ready and we would spend the evening fishing together. When we would get home we would both be so hungry. I loved those times together. I got to go out fishing one last time on Thursday with my dad! Seeing him smile was worth all the riches in the world. I will miss you Dad, everyday.

“ I had the privilege of working with Gene for 6 1/2 years. He was always smiling and from my first day made me feel like I fit in. I knew I could always ask Gene anything about work and he would take the time to explain it to me so that I understood. I knew I could always count on Gene to get the task done. He will be missed. Thoughts and Prayers to his family and close friends.
