“ To Gene's family.  
You have my deepest heartfelt sympathies. Although I never got the opportunity to meet Gene in person I felt as though I had known him all my life. The work that he did connecting our family through his genealogy work on the Wilson family connected our lives. I knew his father who was my Great Uncle and I am proud to have gotten to know Gene. My prayers will be with you all. God bless you and keep you. Sincerely,
