“ Dear Dano Family,

*Aunt Eva was a beautiful and wonderful person. My memories of her go way back to childhood. Her cooking was outstanding, I especially loved her homemade soups. I remember calling her from my home in Colorado as I was trying to remember how to make one of her vegetable soups. I asked her for the recipe and she laughed, telling me there was no recipe and that she just put whatever good vegetables she had in it. She called it a "concoction". I guess I will never find out how she made it but the memory is so good. I always loved to visit with Aunt Eva and Uncle Fritz and was happy that I got to do that in their later years. She always asked why do I live so far away and when am I going to move closer. What a kind and loving woman she was and I always appreciated that about her. Goodbye sweet lady, rest in peace. I will always keep you in my heart. My sincere sympathy to all of my cousins.*

“ To all of Aunt Eva's family,  
We have nothing but good memories of aunt Eva. She truly was a diamond in the rough. She always opened her home and hospitality to Jane and me. We always had a good time and a lot of laughs when we stayed with her. I personally will miss our singing of Milkina Kucha and watching the fiftieth anniversary tape 100 times over.

God bless each and every one of you, and may God grant you peace in this time of sorrow. Aunt Eva is now back with Uncle Fritz, and the rest of her family. I can see them waiting with open arms to welcome her home.

We will miss and always love her. May her memory be eternal.  
With a sadden heart.
