“ I was an aide for LIFE Butler, and Flora was one of my participants. She was a hard headed little lady who liked things a certain way. We butted heads a few times at first, but eventually, we started to talk more and more and we grew a bond between us that I will never forget. She offered alot of support, alot of advice and alot of Love. Flora will always hold a special part of my heart. She may be gone, but she will never be forgotten. Love you Always Flora!
