“ Flo was the most beautiful lady. She never had a hair out of place and she was always smiling when I saw her. My sisters and I always loved it when she came to our house because she always made us feel special. I have nothing but great memories of Flo, like perfect hair, whiskey sours, great lasagna and her calm demeanor. It was a privilege and a pleasure to know her and I am glad that she was a part of my childhood. Rest in peace, Flo.

“ She used to give me the best haircuts. Always taking her time to do that and never charging me to do so. She was always so nice and sweet. Every time I seen her, she was smiling. She was a bright light and now she shines above us. She will be missed by not only myself but so many others.

“ *My grandmother was the most wonderful woman. Her family was her whole world, and she always showed it. Every sports game, every school function, every time we needed her... she always did her best to ensure she was there for us. I just know she's looking out for us up there... my very own guardian angel* □ *I miss you already Grandma, I love you forever and always.*
