“ *What a broad! She had a great sense of humor and was quick to say something that raised my eyebrows. She taught me a great deal in my early days of the theater. I too recall memories of Fritz and Dick at Vero's with the theater gang. What a legacy she leaves behind!*

*My sincere condolences to the family. She was greatly loved and will be remembered fondly and missed often.*

“ *Fritz and Dick were some of the first people I met when I moved to Butler. They welcomed me with laughter and always made me feel welcome. I remember many evenings after rehearsals having a beverage and eating an egg at Veros. Fritz dressed more people than I would care to think about and she could strip you down and send you back out on stage in 20 seconds or less (ask Marge Bankert). Not many people can do that. We will miss you Fritz. all my thoughts to Marianne, Amy, Carl, Rick and the rest of the family. Fondly, Becky Plymale*

“ So very saddened to learn of the passing of one of the finest woman I have ever had the privilege to know ! Fritz was not only an incredible costumer, but one of the kindest people I have ever met. She never tired of creating the perfect costume or tweaking something at the last minute to make sure we all looked great on stage. I know I had had so many perfect costumes by Fritz. I was very proud to have been able to call her a dear friend. There are so many memories of your old home on Alameda, too. Now, she's with your Dad, another great person ! Loved those two !!!! Love and prayers. With deepest sympathy, Peppy Alexander
