“ To the Osche Family:

It is sad to lose a dear loved one in death. At Job 14:14,15 Job stated that he would wait in the grave until his release would come. That release from death is made possible by means of the resurrection. The Father yearns to raise those who are sleeping in death back to life with their dear loved ones.

May each of you find comfort in knowing that even though you grieve, you can be comforted in knowing that 'mourning, outcry, tears and pain of death will be no more.' (Revelations 21:4)##imported-begin##Evelyn Hall##imported-end##
