“ Dear Frankster,  
You told wonderful stories. I loved hearing about you hunting in Mount Jewett with your friends, and fishing in tournaments with your Bass Buddies. You were always excited to tell us about what you bought at Cabela's, or show us the new lure you made. You told a joke like no other. I would be laughing long before the punch line. You were the best host of our Thanksgiving celebration. You baked the world's best pumpkin pie. Your rendition of The Twelve Days of Christmas will never be forgotten by anyone who witnessed it. Your positive attitude and kindness was refreshing. Your smile was contagious. I will be missing you for so many reasons. It was an honor to be your sister-in-law.  
Love,  
Krissy

Dear Nagy Family, It was an honor to know Frank and call him my friend. I always enjoyed any time we were together at camp, fishing and having breakfast together. Frank was always ready to lend a hand when it was needed. He may be gone but never forgotten. He was a great friend, and loved his family. He was an example to all, that had the privilege to know him. Dearest Sympathy Larry Schmeider Family.

“ Frankster

*Another sad goodbye  
A good man going away  
If I could change the way it went  
A healthy life where you could stay*

*You were so fun to be around  
And I'll never forget your smile  
You were more like a brother to me  
You always went that extra mile*

*I love you so much, Frankie  
And I'm going to miss you so  
I just felt so helpless  
Trying to let you go*

*I took a walk to the field  
In search of peace and grace  
And I prayed for your life's passing  
To a much needed better place*

*I thought of all the times  
That we had spent together  
And I laughed and I cried  
In the cold and bitter weather*

*As I turned to head back home  
I pled for just one sign  
Perhaps a cloud shaped as a fish  
Would God be so kind*

*But upon the next gust of wind  
A hawk flew above on high  
And I knew then in my heart  
That God was indeed nearby*

*So I'll let you go to be free my friend  
And I'll see you again someday  
I'm sending all my love to you  
For your way back home today*

*Love,  
Kellie*
