

Frederick Allen VanWy

September 20, 1948 - September 13, 2014

Frederick Allen VanWy, 65, of Butler, passed away at home on September 13, 2014 at 5:30AM.

Born in Butler on September 20, 1948 he was the son of the late Jess Freman and Jean Carolyn (Stubenbordt) VanWy.

A veteran of the United States Army, Fred served in Vietnam as a heavy vehicle operator from 1969-1970, earning the Army Commendation Medal for Merit.

Fred traveled many paths along the way from farmer to soldier, to mechanic, timber man, and tractor trailer driver. He was a fan of country music and western movies, and was a clever hand at welding, woodworking, remodeling, gardening, cooking, playing guitar, and singing a song!

Fred had a lot of fun at home in the basement with friends making music and in the garage shooting the breeze.

After long illness he is now one, mind and soul.

Fred is survived by his wife Rebecca, and his sister Pearl Wick of Ohio.

A gathering of family and friends will be held following cremation.
