Tribute Wall

“ Denise, Heidi & Jalyn; Jessica, Jeremy, Bob, Kandi, and Bobby,

It is with great sadness and sorrow, the passing of your mother, wife, grandmother. Our thoughts and prayers have been with you all. Gail was a nice and funny person. She could make you laugh, she enjoyed life to the fullest. Just remember all the good times, the cookouts, get togethers, tupperware parties, she would be there for her family. She will be truly missed by all who knew her and loved her.##imported-begin##Dottie Whetzel-Cook##imported-end##

“ Grandma you are such a special person to everyone of us. It hurts so much that you are gone. It still seems like you are with us. We have had so many great and funny memories! You always made us laugh. Jaida always says that she wants to see "MIMI". She says that you are sleeping in Heaven with God and that she misses you. I know that you are watching after her at all times and that you are always making sure that she is safe. You are the strongest person that I have ever known and I wish god did'nt bring you home so soon. But we all knew that you were suffering even though you always said you felt fine. I had so much fun with you on all of our vacations. Even though you may not be with us physically you will always be in our hearts. We miss you dearly. Love always your favorite Granddaughter and favorite Great-Granddaughter :)

“ We miss you very, very much. We will always remember your unique sense of humor and how you always seemed to find a silver lining in even the most difficult situations. It took awhile, but I’m glad that I finally learned to speak and understand Gaileze. I’m a better person for it.

Love you, John, Kimberly, Shannon, and Sheila##imported-begin##John##imported-end##
