“ Dear Morris Family:
Your are all in my thoughts and prayers during this difficult time.
There is assurance knowing that he is in a much better place.
Although i know that this is still difficult to accept, there is a reason
that they are taken from us so quickly. Accept our sympathies.

“ We were shocked when we read the paper today! I am so sorry! If we'd of known we would have made arrangements to be there with you. Please keep in touch, it was very nice to visit with you and Gary at Mary's funeral. Too bad that seems to be the only way we have been able to stay connected lately. I would love to see you again. Always remember that I am just a phone call away...or an email...or a snail mail...you get the idea. Anyway I am rejoicing with you and your family knowing that Gary is in the presence of Jesus! Face to face. WOW!!
