Gary was only a phone call away. He went with us whenever..... wherever he was always a phone call away.
RIP Lou Lou! I will forever miss you.
A nick name we gave him as we were growing up. We couldn't pronounce Gary and Louis was his middle name. Love you and will miss you terribly 🥹❤️🙏

Gary always showed an interest in others. Always took time to talk and check how you were doing. Will remember good times at White Oak with him sitting in his military uniform when he was home!
