*I'm sorry I didn't know.  
I was just wondering how he was and I found out few days ago this  
year 2022.*

*So I want to share something.  
Our Family and friends..*

*Do not stand and cry, please wipe the sad tears from your eyes.*

*No more suffering no more pain, as we stand in the healing arms of our  
Savior Jesus that has taken it all away forever and the day.*

*Please do not stand there and cry!*

*Now we are with our heavenly father God, Jesus our families and  
friends and we're  
Wrapped, in the blessings of wings of Angels, safe and sound now on  
holy ground!*

*All peace joy and love free from pain that's flown away from the dove  
with our lord Jesus above.*

*Now we're in the holy presence of Father God and Jesus our savior  
here forever more .*

*In Jesus name Amen.*
