“ *There are a lifetime of memories I would love to share but it would take my entire life to share them. My dad, aka my daddy was the most heartwarming person I knew. He always put others first before himself. And his grandson takes after him in that aspect. They had such a strong bond and no one could ever break it. I will never forget this incredible man, and will continue his memory because that is what he would have wanted. Dad, I will always love you and will miss you for eternity. Until we meet again. Love your little girl.*

“ *Cousin Gary always had that ready smile and a chuckle laugh. May God, who loves us more than we can say, give you His peace and comfort through Jesus our Savior, in your loss.*

Someone once shared these great words:

Someone Is Missing

*Let this be a loving reminder,
That someone is missing today.*

*Someone our hearts still hold on to,
as we travel along life's way.
Someone who made life so special,*

For all those who gather here.

*Someone who won't be forgotten,
But cherished from year to year.
and now, as we pause to remember,*

*Let us all fondly recall
How dearly each of us loved him,
and oh...how he loved us all!*
