“ *Our thoughts and prayers go out our Ohio Friends and there families. George will always be remembered he was a great man. I can still remember delivering those Potato Chips to the bar so msny years ago and how he would always keep me up to date about his son Tom that moved to California whom I later became room mates and the best of friends with so many years ago. I could never thank him enough for connecting the two of us. May he rest in peace and I know someday we will all meet up again when our time comes.
