“ *My Deepest Condolences To the Luce Family
I wanted to express I sorry I was to read of your loss. I wanted to share with family and friends what helped me during a similar time. I was able to gain comfort from reading what Jesus did when he resurrected people from the dead, he always gave them back to the ones who loved them and they never objected to the fact that they were brought back from the dead! That helped me to see that people want to live! Jesus wants them to live also. Luke 7:12-16, John 11:28,34, Psalm 37:29.
Sincerely,
Angela###imported-begin##Angela###imported-end##*
