“ I met Gina when we shared a hospital room in BCMH. She was just the sweetest little thing. We kept in touch a little after we got home and I made her an afghan that she ordered. I knew her health wasn't good at that time but was shocked to hear she had passed. You all have my deepest sympathy. You'll be in my thoughts during this most difficult time.

“ Rest in peace dear friend, sympathy and prayers for Vern and family and friends, You had the biggest heart and the most beautiful smile yours eyes would glisten when you smiled, I have so many great memories alot of love sweat, and tears a few spats, you supported and cheered me on through all of life's ups and down I always thought we'd have tomorrow when we weren't busy to get together for lunch, fine example of how tomorrow isn't promised. “ To my sweet friend Gina. You were a treasure to everyone who knew and loved you. We shared the loss of our moms together and both fought breast cancer as well. You were a good friend to all of us. You always were there for everyone unconditionally. The last time the gang were together, we had so much fun. My love and prayers to Vern and your children and grandchildren and family. Rest In Peace dear friend. ❤️

“ I am stunned beyond belief by this news. Dear, sweet Gina. She is always so kind and caring. When my husband and I and his support dog got flooded out of our house two years ago she reached out to our class from Ridgway High and helped us so much. May God's speed be with Gina and her family. Big hug to a beautiful soul who will be missed by so, so many.

“ I am an old friend from Ridgway, I am so sorry to Vern and Mike and all of Gina's children and grandchildren. We had been texting and talking over the last few years, always tried to get together when she came to Erie- but it never happened. She wanted to come visit me and then she told me she had been sick, I didn't hear anything from her. I am sending you all my deepest sympathy, my love and my prayers. Gina had such a good heart... truly will be missed 💔
