“ *Gladys was my friend and she wanted me to have her little dog, Abby , to care for when she had begun to have health problems . I have been blessed with this little dog for 3 years now . Gladys will always be her MOM , but I've grown to love her and care for her. She is very special to me and I will continue to love her until one day she will be reunited with Gladys. I will miss Gladys . She was a special lady. Sincerely with Love , Abby and LuAnn*
