“ *I was so sorry to hear about Gladys. She was my mom's best friend. I will always remember how they would get together every Friday night. they would talk around the kitchen table and the kids would play together. How how miss those days! We had some really good times. I know they are together now going over old times. I wish I could come to calling hours, but live n Ohio now. I want you all to know you are in my thoughts and prayers.
