“ My heart ❤️ goes out to Betty, I know she will miss Glenn’s
companionship greatly.
Glenn has been a longtime faithful customer and friend , and fellow
veteran. Early in my life when starting my business 50 years ago, he
was instrumental in encouraging me to build my business and later
on to buy property and construct a new garage. I went on numerous
sales calls with Glenn and watched and learned how he treated his
customers. He showed me that selling myself was the only way I
was going to make it in business.
