“ Dear Weiland Family,
I read about the loss of your loved one “ Hailey ”. I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It has comforting words from the Bible. The url address is

I hope that this brings you and your family some comfort. If I can be of any further help please feel free to write me.##imported-begin##Daniel Harrington##imported-end##
