As much as we are gonna miss you I am glad you are not in pain any longer. You are up there singing with the Angels. I will think of you every time I hear the birds singing and someone playing a Gitar. You are loved always.

“ Hi Grandpa,
I miss you! I know you've gone to heaven, and I'm jealous! Your so lucky you get to be up there singing praises with the big guy Himself. Grandma wants me to sing for you on Saturday so I will, I'm going to sing just like we used to when I was just a little baby and all your friends came and played. The song sounds just like one of the ones you used to play and sing. I wish I could play the guitar for you, I know you've always wanted me to do that, but I will play the harmonica, which I don't think I've played since the days I played in your living room. Grandma is being strong, its hard for her but she is doing a great job, I'll make sure she is ok. Mom, Aunt Kathy, and Aunt Sharon are all doing ok too. I'm so proud of all of them. I knew you were ready to go and I'm glad you are finally done suffering, now you get to enjoy everything, you get to be at my graduation, and at all of my concerts! You get the best seat in the house. You will be able to see me pretty in my prom dress and you will get to see me ride through Saxonburg for the last time on top of a car. I love you Grandpa, I will see you someday soon, give Alex a hug for me, She may need a grandpa up there too. I miss you!###imported-begin##Your Babydoll###imported-end##
