“ Ken and Family,  
I was so sorry to hear of Helen's passing.  
when I started working with her at Weight Watchers, she was so welcoming.  
Helen was my "mentor" and she taught me so many things that she learned through the years, and we became friends. When I would help her out, she would bring me little gifts (Bath and Body bubble bath) which I use to this day. We shared many laughs, and I will treasure her kindness always.  
Thank you, Donna, for the phone call letting me know of her passing. We were away at the time, and it was deeply appreciated.  
May you find peace and comfort in your memories.
