“ Margie & Pat and families May god bless you at this time. You are in our thoughts and prayers. There are many things to mention about Aunt Helen too numerous to write about all of them. A special memory that we have and Dave also would be going out to visit with Aunt Helen and sitting around the kitchen table and listen to her talk about whatever she would want to discuss. The other thing at the same time was she would get out the cookies and something to drink and she would share with us that way also. She will be truly missed and thought of very often.##imported-begin##Galen & Sharon Mcmanus##imported-end##
