“ I am so sorry to hear of the loss of my best friends mother. I was her late son's fiancée, Sharon, and I know how much he adored her. There is still not a day in my life that goes by without some thought of Tommy. He was indeed the love of my life, and I continue to miss him dearly. I am so saddened to hear of his mother's passing. Helen, please give him a kiss for me in heaven, and let him know that even after 30 years, I still love him dearly and miss him so.
