“ I have many loving memories of your Mom. Our families were very close and I remember her always smiling and laughing. She always let us listen to Baby Snooks and laughed with us. My thoughts and prayers are with each of you. She left so many precious memories.

“ I have many fond memories of your mother. I loved her sense of humor and outlook on life. She was good to me as a child and I have never forgotten her kindness. She used to always have her vacuum cleaner out. As a child, I asked her if she wanted me to sweep and she laughingly told me, no...I just keep it out and people think I am cleaning, but I am not! Then, she would laugh and so did I! I appreciate her taking care of my brother, Mike and I when my dad needed someone to watch us.  
Sending you all love and condolences on her passing.  
Love,  
Charlene
