“ Aunt Helen & Uncle Jack were always fun. He was quiet, but observant and had a great smile! A few years ago at my house in Trenton MI, she & mom played peas & carrots on the piano while laughing...she taught me how to play it and a few little tunes. I stayed with her family when I was young and had some great adventures. I remember riding in their convertible to go for ice cream when I was very young. She was kind and gave me my very first lipstick (dont tell my mom!)  
I will miss her fire, her smile and her cool attitude XOX <3
