“ *My daddy was everything to me. I miss you so much Dad. I can't even explain how much I'm hurting... I just want to hug you, kiss you, hear your voice. It hurts so much. I hate that this had to happen, and God had to take you so soon. Everything happens for a reason. I can't wait to see you again Dad. I love you with all my heart.*

“ *Have many happy memories with him! But would have to say the 4 most happiest moments would be the births of our 3 children, Phillip, Nicholas, and Sarah, and the day he received Christ as his savior, and he himself was reborn! Because of that day, I know we will all be together in heaven one day! Until then, we will be missing your funny sense of humor, and your late night calls to chat! Enjoy heaven! With love, Lucy*
