“ Hope Wonderling, I am sitting here in absolute disbelief that it has almost been 10 years since you have been gone. There isn't one day that goes by that I don't think about you. When I say you are the literal FUNNIEST person I've ever met, I cant make it up. The smile you rocked is unmatched, you had the most welcoming smile. Anyone that even remotely knew you, knew this. I have YET to ever meet anyone with the soul and aura you carried. The absolute sweetest soul to grace this earth was you. Nothing ever stopped you from making us all laugh and feel better, even on your darker days. I miss you so so much bestie. The absolute pain I feel to this day hasn't changed one bit, I think its growing more than I thought possible. I wish I could talk to you one more time, but I truly know you're with us at all times. I have had very scary close calls in my life and I swear you were right there the entire time keeping me safe. My other best friend Grandma Jean is up there with you now. So you can take a break because lord knows I keep y'all on your toes.. lol I miss you ever so much Hope. I am thankful beyond words to have had such amazing times with you and Kaylan and the gang. All of it started because of our mutual love of softball, and honestly we were amazing as a team. #DREAMTEAM Be safe, stay dangerous, and of course I see that 20 dollas hangin outta your pocket. “ *I remember how Hope and I first met. Some kids at were bullying me, they took my bag and dumped all the contents of it out. She came up to me and told them to leave me be. Then she knelt beside me and helped me pick everything up. She was so nice to me. I wish I got to know her better. But just seeing her in the hallways every day at school after that, has made it easier to get through the days. Every time we saw eachother she would wave at me and smile. Shed even say hi. I miss her a great deal. And I'm sorry that she is gone. But she will remain in my heart forever. Thank you hope for being kind to me when no one else was.*
