“ Chris, Jen, and Adam, I'm so sorry to hear about your dad's passing. A friend of mine from Butler called to let me know. Your mom and I were good friends from high school, and I was one of her bridesmaids at your parents' wedding. I don't get to Butler very often, but two years ago when I was there, I had a nice visit with your dad. Sending love and prayers to you. May God provide the peace that passes all understanding with the knowledge that your mom and dad are now together, With deepest sympathy,
