“ *Jim, there are no words to thank you for your love of people and especially your love of dogs. You brought us so much joy no matter where we were or what we were doing. I know many of us still can't wrap up our emotions over this horrible tragedy. We love you and will miss you.*

“ *JIM was one of my favorite dog people. He seemed to always be smiling and was able to make me laugh. He was especially good to my wife, Debbie, who is disabled. At the Memorial weekend cluster he would routinely stop by our motor home to see how she was feeling and to ask if he could do anything for her. The dog world lost a good one and the New Castle shows will just not be the same. Thanks Jim*

“ What a tragedy. I remember Jim as one of our Fourth Ward School guys. Jim was always pleasant with a great sense of humor. One very comic memory I have is Jim wearing a racoon coat at one of our football assemblies. He had us all in stitches. Condolences to Jim's family and friends.
