“ No one could have a truer; more loyal friend. Jim was always the person who would give you the shirt off his back. He was always willing to try to help anyone he could, and did. Even if he didn't have a lot at the time someone needed help, he was always willing to share whatever he had. He always gave of his time, and of himself. I'll miss you Brother...I know you are in a better place now...Love,
