“ *Honey
I can not say it was; something that for me is eternal.*

But ... we are often prepared to deal with the victories and happy moments of life, but life is also made of episodes and difficult moments. But according to the Word we are going to win the gerra but in the course of these battles we will lose some.

seeing the situation of Lazarus when his brothers sends Jesus to his house, HE does not go the same day ... later he appears and said his brother did not die but rather sleeps. (today I believe)
