“ So sorry to read about the passing of Jane. Jane and Bud had started a scholarship, and I was the recipient for the first year, I believe, that they gave it out. I remember them coming to graduation and giving the scholarship out. Turns out that they were common customers that came all the time to the restaurant that I worked at. I had been sending them Christmas cards since 2000. I really enjoyed talking with them. Treasure all the memories that you have had with them.
