“ Diane I am so sorry for what you are going thru. I just can't believe it. He was so young. Diane if you ever need to talk or just take your frustration out on some one just call me any time or night. Cause I know exactly how you are feeling. It is probably even worse for you cause you have more memories of him then I had of April. You know what helped me just a little but at this time every little bit helps. Some one gave me a book about what it is like in heaven. Wish I could remember the name of the book. I lent it to some one and never got it back. Take care kid and call me any time you want. Don't matter what time it is.

“ Dear Wagner Family,
I read about the loss of your loved one " Jason ". I know you miss him very much. There is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our Loved Ones that have died. It has comforting words from the Bible. The url address is: <http://wol.jw.org/en/wol/d/r1/lp-e/1101994001>
I hope that this brings your family some comfort. If I can be of any further help please feel free to write me. Sincerely Daniel Harrington

“ Well a memory lets see ...He was older than me and we have the same first name so to tell us apart his nick name was Big Jason and I was known as little Jason!! Even though I was taller lol!! But another memory is the couple times I skipped school and we hung out or another time Jason & John ran me to butler to see a girl cause I didn't have my drivers license!! I definitely can't forget how good of a cook and the good food he made!! Even though we lost a great man and a great loving father!! Heaven gained an angle!! Love you buddy!!

He use to love to tell that story when he was younger and laugh! He use to always play with Jason Nemeth' s and Josh Wagner's Match box cars...He wanted the trucks. R.I P
