“ *Jeff was always very good to my brother Chase and I and we always looked forward to seeing him as kids. He always had little gifts for us during every visit and he would spend time talking to me and teaching me about the Hubble telescope and space. Rest In Peace Jeff. My most sincere condolences to your family.*

I am so glad you & Chase have such nice memories of our friend Jeff. You guys got to see a side of Jeff that a lot of other people were not privy to because he tended to be very private. RIP Jeff Michaels
